

The Samuel Ricketts Scholarship Fund strives to help keep education within reach by providing financial support in the form of scholarships to qualifying students. Scholarships are awarded to students, often with the greatest need, to begin college successfully. Many of these students have complex schedules and dynamic personal situations yet strive to get their education and advance their professional ambition.

The Scholarship Fund responds to student needs by assisting those, who without scholarships, may find it difficult to start or continue their education. The Scholarship Fund supports Student Success by providing a monetary contribution to assist in the recipient's first year in college.
